XXIV Conference of PhD Students and Young Scientists

PhD Students and scientific workers of Wrocław University of Science and Technology from the Faculty of Geoengineering, Mining and Geology cordially invite you to the **XXIV Conference of PhD Students and Young Scientists**, taking place from **October 23 to October 25, 2024** in Wrocław (Poland) **in the form of hybrid event**. The Conference offers an excellent opportunity to exchange experience and to form science and social contacts.

The scientific programme of the XXIV Conference of PhD Students and Young Scientists will focus on **four thematic panels**:

MINING
ENGINEERING

EARTH AND SPACE
SCIENCE

GEOENGINEERING

GEOINFORMATION

Publication

Participants of the Conference will have the opportunity to publish articles in the **Civil and Environmental Engineering Reports**. Publication is **free of charge** for conference participants.
