

## INVITATION

The Organizing Committee cordially invites you to participate in the XXXI CIRP Sponsored Conference on Supervising and Diagnostics of Machining Systems, which will be held from the 8th to 12th March 2020 in Karpacz, Poland. We are convinced that your or your co-workers' contribution to the Conference will be of great interest and we believe it will be of considerable value to you.

## TOPICS

Relevant topics for the XXXI CIRP Sponsored Conference include:

- ✓ Manufacturing development strategies
- ✓ Holistic modelling based manufacturing improvement
- ✓ Efficiency of holistic improvement
- ✓ Machine Tools distortions active recognition and decreasing
- ✓ Processes holistic improvement
- ✓ Manufacturing energy consumption decreasing
- ✓ Hybrid machining development
- ✓ Machining errors active decreasing and compensation
- ✓ Intelligent functions development for manufacturing improvement
- ✓ Manufacturing monitoring and control development

Usually we accept the papers related to the general topic of the Conference – diagnostics and supervision of machining systems.

## CONFERENCE LANGUAGE

The conference language is English.

## ABSTRACT AND FULL PAPER SUBMISSION

We kindly invite you to take part in the Conference and, subsequently, to send a participation application form and a 200 word **abstract** of the paper for review and selection. The Secretariat of the Conference will send notification of acceptance to the Author by e-mail. You will receive instructions for the full paper submission along with the abstract acceptance notification (instructions may also be found at [http://www.not.pl/wydawnictwo/JME\\_paper\\_template.pdf](http://www.not.pl/wydawnictwo/JME_paper_template.pdf)).

The Author should send the **full paper** (max. 12 pages including abstract and keywords in Word for Windows format) and the registration card before the deadline – **15th November 2019** by e-mail. We will send notification of final acceptance just after receiving two positive reviews of each paper.

All papers accepted for presentation and publishing must be original and not published elsewhere.

The papers will be reviewed by the Conference Reviewing Committee and will be published in the **JOURNAL OF MACHINE ENGINEERING** and on-line. There is no possibility to publish the papers before fee payment.

## REGISTRATION FEE

The participation fee for one person is **450 Euro**, accompanying person **320 Euro** (family member, wife, husband, etc.) and includes: one issue of the "Journal of Machine Engineering" with papers presented at the Conference, conference banquet, coffee breaks and meals.

### Important Dates

- **Abstract Submission** **15/10/2019**
- **Notification of Abstract** **within a week of submission**
- **Full Paper Submission** **15/11/2019**
- **Notification of Full Paper Acceptance**  
(dependent on the reviewing process) **13/12/2019**

**The final date of fee transfer is  
15<sup>th</sup> January 2020.**

## VENUE

The Conference will take place in Karpacz at the recreation and conference facility, 120 km to the south of Wroclaw. Great weather and terrain conditions (snow layer in Karpacz lingers for 95 days of the year) are the reasons why Karpacz is a sports centre, a climatic station and a starting point of many tourist trails. All information concerning transport and the place of the conference will be sent by e-mail to all participants before the Conference, and will be submitted on www of the Conference.

## PAPER SUBMISSION ADDRESS

Please complete the **registration card** (one for each participant) and forward it with the abstract by e-mail as soon as possible to:
